SIMPLY AMAZING

FOR ALL MY ADULT LIFE I CONSIDERED THE COMPUTER A PRESERVE OF THE OTHER

PROFESSIONS,SINCE I WAS USED TO CHALK AND TALK, COMPUTER SKILLS AND APPLICATIONS

WERE NEVER MY DREAM IN MY DAY TO DAY TEACHING EXPERIENCE IN THE CLASSROOM,CONSIDERING

THE RESOURCES AT MY DISPOSAL.

AFTER TWO WORKSHOPS,THE SKILLS ACQUIRED HAVE ENABLED ME TO GET THIS FAR! I CAN NOW

PROUDLY GUIDE MY FELLOW TEACHERS AT SCHOOL, IN AREAS THAT I HAVE COVERED WITH EASE.

BELIEVE ME, MY LIFE IN IT WILL NEVER BE THE SAME. I ENCOURAGE FELLOW TEACHERS TO OVERCOME

THAT FEAR AND PERCEPTION.
